Renewed Petition Under 37 CFR 1.47(a)

ATTN.: PCT Legal Office
Box PCT
ASSISTANT COMMISSIONER FOR PATENTS
WASHINGTON, D.C. 20231

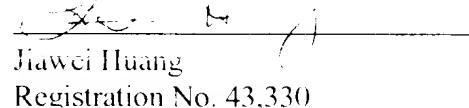

Sir:

In response to the Decision dated September 4, 2002, Applicant submits the following evidence to show that the declaration filed on October 12, 2001 is not defective. Reconsideration of the Decision is requested.

In the DECISION ON PETITION UNDER 37 CFR 1.47(a) mailed on September 4, 2002, the Examiner indicated that the declaration filed on October 12, 2001 is defective because "the declaration has been executed by "Teruyuki" Nakano, whereas the international application lists "Yoshiyuki" Nakano as the first inventor." The Examiner is thanked for pointing out this inconsistency. Applicant would like to clarify that Teruyuki Nakano is the correct name of the first inventor. A petition to correct the inventor's name from "Yoshiyuki Nakano" to "Teruyuki Nakano" was filed with Japan Patent Office (JPO) on February 8, 2001 and has been processed by JPO. According to JPO's rule, official document showing the above name change is not available to applicant. Thus, Applicant encloses herewith a copy of the petition as filed. Applicant believes that this document should have been sent to the United States Patent and Trademark Office by International Bureau.

For the reasons set forth above, the declaration is not defective. Reconsideration and grant of the Petition filed on June 7, 2002 is requested.

Respectfully submitted,

Date: September 4, 2002

Jiawei Huang
